SECTION 2. IC 16-31-3-14, AS AMENDED BY P.L.182-2011, SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 14. (a) A person holding a certificate issued under this article must comply with the applicable standards and rules established under this article. A certificate holder is subject to disciplinary sanctions under subsection (b) if the department of homeland security determines that the certificate holder:

- (1) engaged in or knowingly cooperated in fraud or material deception in order to obtain a certificate, including cheating on a certification examination;
- (2) engaged in fraud or material deception in the course of professional services or activities;
- (3) advertised services or goods in a false or misleading manner;
- (4) falsified or knowingly allowed another person to falsify attendance records or certificates of completion of continuing education courses required under this article or rules adopted under this article;
- (5) is convicted of a crime, if the act that resulted in the conviction has a direct bearing on determining if the certificate holder should be entrusted to provide emergency medical services;
- (6) is convicted of violating IC 9-19-14.5;
- (7) fails to comply and maintain compliance with or violates any applicable provision, standard, or other requirement of this article or rules adopted under this article;
- (8) continues to practice if the certificate holder becomes unfit to practice due to:
 - (A) professional incompetence that includes the undertaking of professional activities that the certificate holder is not qualified by training or experience to undertake;
 - (B) failure to keep abreast of current professional theory or practice;
 - (C) physical or mental disability; or
 - (D) addiction to, abuse of, or dependency on alcohol or other drugs that endanger the public by impairing the certificate holder's ability to practice safely;
- (9) engages in a course of lewd or immoral conduct in connection with the delivery of services to the public;
- (10) allows the certificate holder's name or a certificate issued under this article to be used in connection with a person who renders services beyond the scope of that person's training,

experience, or competence;

(11) is subjected to disciplinary action in another state or jurisdiction on grounds similar to those contained in this chapter. For purposes of this subdivision, a certified copy of a record of disciplinary action constitutes prima facie evidence of a disciplinary action in another jurisdiction;

(12) assists another person in committing an act that would constitute a ground for disciplinary sanction under this chapter; or

(13) allows a certificate issued by the commission to be:

(A) used by another person; or

(B) displayed to the public when the certificate is expired, inactive, invalid, revoked, or suspended.

(b) The department of homeland security may issue an order under IC 4-21.5-3-6 to impose one (1) or more of the following sanctions if the department of homeland security determines that a certificate holder is subject to disciplinary sanctions under subsection (a):

(1) Revocation of a certificate holder's certificate for a period not to exceed seven (7) years.

(2) Suspension of a certificate holder's certificate for a period not to exceed seven (7) years.

(3) Censure of a certificate holder.

(4) Issuance of a letter of reprimand.

(5) Assessment of a civil penalty against the certificate holder in accordance with the following:

(A) The civil penalty may not exceed five hundred dollars (\$500) per day per violation.

(B) If the certificate holder fails to pay the civil penalty within the time specified by the department of homeland security, the department of homeland security may suspend the certificate holder's certificate without additional proceedings.

(6) Placement of a certificate holder on probation status and requirement of the certificate holder to:

(A) report regularly to the department of homeland security upon the matters that are the basis of probation;

(B) limit practice to those areas prescribed by the department of homeland security;

(C) continue or renew professional education approved by the department of homeland security until a satisfactory degree of skill has been attained in those areas that are the basis of the probation; or

(D) perform or refrain from performing any acts, including

C
o

community restitution or service without compensation, that the department of homeland security considers appropriate to the public interest or to the rehabilitation or treatment of the certificate holder.

The department of homeland security may withdraw or modify this probation if the department of homeland security finds after a hearing that the deficiency that required disciplinary action is remedied or that changed circumstances warrant a modification of the order.

(c) If an applicant or a certificate holder has engaged in or knowingly cooperated in fraud or material deception to obtain a certificate, including cheating on the certification examination, the department of homeland security may rescind the certificate if it has been granted, void the examination or other fraudulent or deceptive material, and prohibit the applicant from reapplying for the certificate for a length of time established by the department of homeland security.

(d) The department of homeland security may deny certification to an applicant who would be subject to disciplinary sanctions under subsection (b) if that person were a certificate holder, has had disciplinary action taken against the applicant or the applicant's certificate to practice in another state or jurisdiction, or has practiced without a certificate in violation of the law. A certified copy of the record of disciplinary action is conclusive evidence of the other jurisdiction's disciplinary action.

(e) The department of homeland security may order a certificate holder to submit to a reasonable physical or mental examination if the certificate holder's physical or mental capacity to practice safely and competently is at issue in a disciplinary proceeding. Failure to comply with a department of homeland security order to submit to a physical or mental examination makes a certificate holder liable to temporary suspension under subsection (i).

(f) Except as provided under subsection (a), subsection (g), and section 14.5 of this chapter, a certificate may not be denied, revoked, or suspended because the applicant or certificate holder has been convicted of an offense. The acts from which the applicant's or certificate holder's conviction resulted may be considered as to whether the applicant or certificate holder should be entrusted to serve the public in a specific capacity.

(g) The department of homeland security may deny, suspend, or revoke a certificate issued under this article if the individual who holds or is applying for the certificate is convicted of any of the following:

(j) On receipt of a complaint or information alleging that a person certified under this chapter or IC 16-31-3.5 has engaged in or is engaging in a practice that is subject to disciplinary sanctions under this chapter, the department of homeland security must initiate an investigation against the person.

- 38 (30) Conspiracy under IC 35-41-5-2 to commit an offense listed
- 39 in subdivisions (1) through (28).
- 40 (d) The department, after holding a hearing on the matter, shall
- 41 permanently revoke the license of a person who is known by the
- 42 department to have been convicted of a federal offense or an offense in

another state that is comparable to a felony listed in subsection (c).

(e) A license may be suspended by the state superintendent as specified in IC 20-28-7.5.

(f) The department shall develop a data base of information on school corporation employees who have been reported to the department under this section.

SECTION 5. IC 22-15-5-16, AS AMENDED BY P.L.182-2011, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 16. (a) A practitioner shall comply with the standards established under this licensing program. A practitioner is subject to the exercise of the disciplinary sanctions under subsection (b) if the department finds that a practitioner has:

(1) engaged in or knowingly cooperated in fraud or material deception in order to obtain a license to practice, including cheating on a licensing examination;

(2) engaged in fraud or material deception in the course of professional services or activities;

(3) advertised services or goods in a false or misleading manner;

(4) falsified or knowingly allowed another person to falsify attendance records or certificates of completion of continuing education courses provided under this chapter;

(5) been convicted of a crime that has a direct bearing on the practitioner's ability to continue to practice competently;

(6) knowingly violated a state statute or rule or federal statute or regulation regulating the profession for which the practitioner is licensed;

(7) continued to practice although the practitioner has become unfit to practice due to:

(A) professional incompetence;

(B) failure to keep abreast of current professional theory or practice;

(C) physical or mental disability; or

(D) addiction to, abuse of, or severe dependency on alcohol or other drugs that endanger the public by impairing a practitioner's ability to practice safely;

(8) engaged in a course of lewd or immoral conduct in connection with the delivery of services to the public;

(9) allowed the practitioner's name or a license issued under this chapter to be used in connection with an individual or business who renders services beyond the scope of that individual's or business's training, experience, or competence;

(10) had disciplinary action taken against the practitioner or the

C
o
p

practitioner's license to practice in another state or jurisdiction on grounds similar to those under this chapter;

(11) assisted another person in committing an act that would constitute a ground for disciplinary sanction under this chapter; or

(12) allowed a license issued by the department to be:

(A) used by another person; or

(B) displayed to the public when the license has expired, is inactive, is invalid, or has been revoked or suspended.

For purposes of subdivision (10), a certified copy of a record of disciplinary action constitutes prima facie evidence of a disciplinary action in another jurisdiction.

(b) The department may impose one (1) or more of the following sanctions if the department finds that a practitioner is subject to disciplinary sanctions under subsection (a):

(1) Permanent revocation of a practitioner's license.

(2) Suspension of a practitioner's license.

(3) Censure of a practitioner.

(4) Issuance of a letter of reprimand.

(5) Assess a civil penalty against the practitioner in accordance with the following:

(A) The civil penalty may not be more than one thousand dollars (\$1,000) for each violation listed in subsection (a), except for a finding of incompetency due to a physical or mental disability.

(B) When imposing a civil penalty, the department shall consider a practitioner's ability to pay the amount assessed. If the practitioner fails to pay the civil penalty within the time specified by the department, the department may suspend the practitioner's license without additional proceedings. However, a suspension may not be imposed if the sole basis for the suspension is the practitioner's inability to pay a civil penalty.

(6) Place a practitioner on probation status and require the practitioner to:

(A) report regularly to the department upon the matters that are the basis of probation;

(B) limit practice to those areas prescribed by the department;

(C) continue or renew professional education approved by the department until a satisfactory degree of skill has been attained in those areas that are the basis of the probation; or

(D) perform or refrain from performing any acts, including community restitution or service without compensation, that

C
o
p
y

the department considers appropriate to the public interest or to the rehabilitation or treatment of the practitioner.

The department may withdraw or modify this probation if the department finds after a hearing that the deficiency that required disciplinary action has been remedied or that changed circumstances warrant a modification of the order.

(c) If an applicant or a practitioner has engaged in or knowingly cooperated in fraud or material deception to obtain a license to practice, including cheating on the licensing examination, the department may rescind the license if it has been granted, void the examination or other fraudulent or deceptive material, and prohibit the applicant from reapplying for the license for a length of time established by the department.

(d) The department may deny licensure to an applicant who has had disciplinary action taken against the applicant or the applicant's license to practice in another state or jurisdiction or who has practiced without a license in violation of the law. A certified copy of the record of disciplinary action is conclusive evidence of the other jurisdiction's disciplinary action.

(e) The department may order a practitioner to submit to a reasonable physical or mental examination if the practitioner's physical or mental capacity to practice safely and competently is at issue in a disciplinary proceeding. Failure to comply with a department order to submit to a physical or mental examination makes a practitioner liable to temporary suspension under subsection (j).

(f) Except as provided under subsection (g) or (h), a license may not be denied, revoked, or suspended because the applicant or holder has been convicted of an offense. The acts from which the applicant's or holder's conviction resulted may, however, be considered as to whether the applicant or holder should be entrusted to serve the public in a specific capacity.

(g) The department may deny, suspend, or revoke a license issued under this chapter if the individual who holds the license is convicted of any of the following:

- (1) Possession of cocaine or a narcotic drug under IC 35-48-4-6.
- (2) Possession of methamphetamine under IC 35-48-4-6.1.
- (3) Possession of a controlled substance under IC 35-48-4-7(a).
- (4) Fraudulently obtaining a controlled substance under IC 35-48-4-7(b).
- (5) Manufacture of paraphernalia as a Class D felony under IC 35-48-4-8.1(b).
- (6) Dealing in paraphernalia as a Class D felony under

- 13 subdivisions (1) through (10).
- 14 (13) An offense in any other jurisdiction in which the elements of
- 15 the offense for which the conviction was entered are substantially
- 16 similar to the elements of an offense described in subdivisions (1)
- 17 through (12).
- 18 (h) The department shall deny, revoke, or suspend a license issued
- 19 under this chapter if the individual who holds the license is convicted
- 20 of any of the following:
- 21 (1) Dealing in cocaine or a narcotic drug under IC 35-48-4-1.
- 22 (2) Dealing in methamphetamine under IC 35-48-4-1.1.

- 27 (5) Dealing in a schedule V controlled substance under
- 28 IC 35-48-4-4.
- 29 (6) Dealing in a substance represented to be a controlled
- 30 substance under IC 35-48-4-4.5.
- 31 (7) Knowingly or intentionally manufacturing, advertising,

- 35 (8) Dealing in a counterfeit substance under IC 35-48-4-5.
- 36 (9) Dealing in marijuana, hash oil, hashish, salvia, or a synthetic
- 37 ~~cannabinoid~~ **drug** under IC 35-48-4-10(b).

the offense for which the conviction was entered are substantially similar to the elements of an offense described in subdivisions (1) through (11).

(13) A violation of any federal or state drug law or rule related to wholesale legend drug distributors licensed under IC 25-26-14.

(i) A decision of the department under subsections (b) through (h) may be appealed to the commission under IC 4-21.5-3-7.

(j) The department may temporarily suspend a practitioner's license under IC 4-21.5-4 before a final adjudication or during the appeals process if the department finds that a practitioner represents a clear and immediate danger to the public's health, safety, or property if the practitioner is allowed to continue to practice.

(k) On receipt of a complaint or an information alleging that a person licensed under this chapter has engaged in or is engaging in a practice that jeopardizes the public health, safety, or welfare, the department shall initiate an investigation against the person.

(l) Any complaint filed with the office of the attorney general alleging a violation of this licensing program shall be referred to the department for summary review and for its general information and any authorized action at the time of the filing.

(m) The department shall conduct a fact finding investigation as the department considers proper in relation to the complaint.

(n) The department may reinstate a license that has been suspended under this section if, after a hearing, the department is satisfied that the applicant is able to practice with reasonable skill, safety, and competency to the public. As a condition of reinstatement, the department may impose disciplinary or corrective measures authorized under this chapter.

(o) The department may not reinstate a license that has been revoked under this chapter. An individual whose license has been revoked under this chapter may not apply for a new license until seven (7) years after the date of revocation.

(p) The department shall seek to achieve consistency in the application of sanctions authorized in this chapter. Significant departures from prior decisions involving similar conduct must be explained in the department's findings or orders.

(q) A practitioner may petition the department to accept the surrender of the practitioner's license instead of having a hearing before the commission. The practitioner may not surrender the practitioner's license without the written approval of the department, and the department may impose any conditions appropriate to the surrender or reinstatement of a surrendered license.

(r) A practitioner who has been subjected to disciplinary sanctions may be required by the commission to pay the costs of the proceeding. The practitioner's ability to pay shall be considered when costs are assessed. If the practitioner fails to pay the costs, a suspension may not be imposed solely upon the practitioner's inability to pay the amount assessed. The costs are limited to costs for the following:

- (1) Court reporters.
- (2) Transcripts.
- (3) Certification of documents.
- (4) Photo duplication.
- (5) Witness attendance and mileage fees.

- (4) Issuance of a letter of reprimand.
- (5) Assess a civil penalty against the practitioner in accordance with the following:

(A) The civil penalty may not be more than one thousand dollars (\$1,000) for each violation listed in subsection (a), except for a finding of incompetency due to a physical or mental disability.

(B) When imposing a civil penalty, the department shall consider a practitioner's ability to pay the amount assessed. If the practitioner fails to pay the civil penalty within the time specified by the department, the department may suspend the practitioner's license without additional proceedings. However, a suspension may not be imposed if the sole basis for the suspension is the practitioner's inability to pay a civil penalty.

- (6) Place a practitioner on probation status and require the practitioner to:

(A) report regularly to the department upon the matters that are the basis of probation;

(B) limit practice to those areas prescribed by the department;

(C) continue or renew professional education approved by the department until a satisfactory degree of skill has been attained in those areas that are the basis of the probation; or

(D) perform or refrain from performing any acts, including community restitution or service without compensation, that the department considers appropriate to the public interest or to the rehabilitation or treatment of the practitioner.

The department may withdraw or modify this probation if the department finds after a hearing that the deficiency that required disciplinary action has been remedied or that changed circumstances warrant a modification of the order.

- (c) If an applicant or a practitioner has engaged in or knowingly cooperated in fraud or material deception to obtain a license to practice, including cheating on the licensing examination, the department may rescind the license if it has been granted, void the examination or other fraudulent or deceptive material, and prohibit the applicant from reapplying for the license for a length of time established by the department.

- (d) The department may deny licensure to an applicant who has had

C

disciplinary action taken against the applicant or the applicant's license to practice in another state or jurisdiction or who has practiced without a license in violation of the law. A certified copy of the record of disciplinary action is conclusive evidence of the other jurisdiction's disciplinary action.

(e) The department may order a practitioner to submit to a reasonable physical or mental examination if the practitioner's physical or mental capacity to practice safely and competently is at issue in a disciplinary proceeding. Failure to comply with a department order to submit to a physical or mental examination makes a practitioner liable to temporary suspension under subsection (j).

(f) Except as provided under subsection (g) or (h), a license may not be denied, revoked, or suspended because the applicant or holder has been convicted of an offense. The acts from which the applicant's or holder's conviction resulted may, however, be considered as to whether the applicant or holder should be entrusted to serve the public in a specific capacity.

(g) The department may deny, suspend, or revoke a license issued under this chapter if the individual who holds the license is convicted of any of the following:

- (1) Possession of cocaine or a narcotic drug under IC 35-48-4-6.

- (8) Possession of marijuana, hash oil, hashish, salvia, or a synthetic ~~cannabinoid~~ **drug** as a Class D felony under IC 35-48-4-11.
- (9) Maintaining a common nuisance under IC 35-48-4-13.
- (10) An offense relating to registration, labeling, and prescription forms under IC 35-48-4-14.
- (11) Conspiracy under IC 35-41-5-2 to commit an offense listed in subdivisions (1) through (10).
- (12) Attempt under IC 35-41-5-1 to commit an offense listed in subdivisions (1) through (10).
- (13) An offense in any other jurisdiction in which the elements of

C
o

the offense for which the conviction was entered are substantially similar to the elements of an offense described in subdivisions (1) through (12).

(h) The department shall deny, revoke, or suspend a license issued under this chapter if the individual who holds the license is convicted of any of the following:

- (1) Dealing in cocaine or a narcotic drug under IC 35-48-4-1.
- (2) Dealing in methamphetamine under IC 35-48-4-1.1.
- (3) Dealing in a schedule I, II, or III controlled substance under IC 35-48-4-2.

- (8) Dealing in a counterfeit substance under IC 35-48-4-5.
- (9) Dealing in marijuana, hash oil, hashish, salvia, or a synthetic **cannabinoid drug** under IC 35-48-4-10(b).

- (13) A violation of any federal or state drug law or rule related to wholesale legend drug distributors licensed under IC 25-26-14.

(i) A decision of the department under subsections (b) through (h) may be appealed to the commission under IC 4-21.5-3-7.

(j) The department may temporarily suspend a practitioner's license under IC 4-21.5-4 before a final adjudication or during the appeals process if the department finds that a practitioner represents a clear and immediate danger to the public's health, safety, or property if the practitioner is allowed to continue to practice.

(k) On receipt of a complaint or an information alleging that a person licensed under this chapter has engaged in or is engaging in a

practice that jeopardizes the public health, safety, or welfare, the department shall initiate an investigation against the person.

(l) Any complaint filed with the office of the attorney general alleging a violation of this licensing program shall be referred to the department for summary review and for its general information and any authorized action at the time of the filing.

(m) The department shall conduct a fact finding investigation as the department considers proper in relation to the complaint.

(n) The department may reinstate a license that has been suspended under this section if, after a hearing, the department is satisfied that the applicant is able to practice with reasonable skill, safety, and competency to the public. As a condition of reinstatement, the department may impose disciplinary or corrective measures authorized under this chapter.

(o) The department may not reinstate a license that has been revoked under this chapter. An individual whose license has been revoked under this chapter may not apply for a new license until seven (7) years after the date of revocation.

(p) The department shall seek to achieve consistency in the application of sanctions authorized in this chapter. Significant departures from prior decisions involving similar conduct must be explained in the department's findings or orders.

(q) A practitioner may petition the department to accept the surrender of the practitioner's license instead of having a hearing before the commission. The practitioner may not surrender the practitioner's license without the written approval of the department, and the department may impose any conditions appropriate to the surrender or reinstatement of a surrendered license.

(r) A practitioner who has been subjected to disciplinary sanctions may be required by the commission to pay the costs of the proceeding. The practitioner's ability to pay shall be considered when costs are assessed. If the practitioner fails to pay the costs, a suspension may not be imposed solely upon the practitioner's inability to pay the amount assessed. The costs are limited to costs for the following:

- (3) Certification of documents.
- (4) Photo duplication.
- (5) Witness attendance and mileage fees.
